

## THE LESLIE GRINSELL FUND

A key aim of the Bristol and Avon Archaeological Society is to promote awareness of local archaeology and support original research undertaken by its members. To this end Bristol and Avon Archaeological Society has available limited funds to support original archaeological research carried out by members engaged in not-for-profit projects in the greater Bristol area.

Applications for a grant can be made at any time to the BAAS Secretary on the attached form and will be considered at the next available Committee meeting. Applicants will be informed by email of the result of the application request immediately after that Committee meeting along with any conditions imposed.

Grants would not normally exceed £1000 and are intended to assist with out of pocket expenses such as, but not limited to, essential equipment hire, consumables such as permatrace and storage materials, and specialist reports. Grants will not be considered from commercial organisations who operate for profit.

In the event that the application relates to fieldwork, the Committee would like to see a Research Design/Method Statement. The Committee are available for help and guidance with this.

Should an award be granted it will be a condition that publication of the project will be included in the BAAS journal *Bristol and Avon Archaeology* within 12 months of completion of the project. The article must conform to the Editor's Note of Guidance. Furthermore, an award must be acknowledged on the title page of the formal report (if appropriate) and any subsequent public presentation of the research. The form of the acknowledgement will be "Supported by the Leslie Grinsell Fund of the Bristol & Avon Archaeological Society".

Any queries regarding the grant application process and completed application forms are to be e-mailed to *Rob Iles*, the BAAS Hon. Secretary, at [maryandrod@live.com](mailto:maryandrod@live.com)

# GRANT APPLICATION FORM

1. Name of Applicant

.....

Address .....

.....

Telephone (day) .....

(mobile) .....

Email

.....

Date of application

.....

2. Title of Project

.....

.....

*(Please describe the project and include a summary of the work already carried out and any HER reference)*

3. Description of the work to be carried out with the Leslie Grinsell Grant.
